

How the Permit Process Works

- Step 1. You send us a correctly completed 2008-09 FHL hunting permit application by mail.
Using a previous year's or incomplete application will delay processing your application.
- Step 2. You include the correct fee in a money order or cashier's check payable only to the
"Department of Treasury". No personal checks accepted.
- Step 3. You provide an email address or self addressed, stamped envelop for confirmation.
- Step 4. We process your application within two weeks of postmark date.
- Step 5. We notify you by email or mail that your application is processed.
- Step 6. You pick up your permit at registration in person with current photo identification at the
Hunting and Fishing check station.
